### ABOUT ODOT

The Ohio Department of Transportation is the state agency responsible for the maintenance and construction activities on Ohio’s highway transportation system, including federal and state routes outside of municipalities, and all interstate routes.

**ODOT**

Interstates      U.S. & State Routes (outside municipalities)

### If not ODOT, who is responsible?

Ohio Turnpike Infrastructure Commission

Counties/Townships

LOCAL ROAD

Local Routes

Municipalities

LOCAL ROUTE

including designated U.S. & State Routes (inside municipalities)

Each spring, we shift our priority from snow and ice operations to construction and maintenance investments in our state’s transportation system. Our yearly plans are outlined in our district construction programs.

This construction program outlines plans within ODOT District 4, which serves Ashtabula, Mahoning, Portage, Stark, Summit and Trumbull counties in northeast Ohio. District 4 is responsible for:

### PROGRAM KEY

For purposes of brevity, ODOT uses several acronyms throughout this program. This key defines our abbreviations:

- I Interstate
- U.S. Federal Route
- SR State Route
- CR County Road
- TR Township Road
- NB Northbound
- SB Southbound
- EB Eastbound
- WB Westbound
- PID Project Identification Number

**5,058**  
LANE MILES

**1,408**  
BRIDGES

**66**  
PROJECTS

## LEARN MORE ONLINE

This construction program offers baseline information on our plans for the upcoming construction season. For additional information on individual projects, visit our website:

**[transportation.ohio.gov/projects](https://transportation.ohio.gov/projects)**

Filter the library by the project’s identification number (PID) to find additional information on each project throughout the construction season.

## RECEIVE WEEKLY UPDATES

During the construction season, ODOT sends weekly updates on ongoing construction and maintenance projects in each county. To sign up for weekly updates, visit:

**[public.govdelivery.com/accounts/OHDOT/  
subscriber/new](https://public.govdelivery.com/accounts/OHDOT/subscriber/new)**

Subscriptions can be customized on a regional and county level. Follow the prompts at the link above to personalize your subscription to ODOT communication.

For weekly project updates and traffic impacts, select “Construction Updates and Traffic Advisories” when selecting subscription topics.

## Ashtabula County

**KEY**

- Bridge/Culvert Repair
- Lighting
- Geologic Maint/Slide Repair Project
- Major Project
- Safety Project
- Resurfacing Project

ASHTABULA COUNTY

PID 91870  
**Interstate 90 resurfacing**  
Resurfacing of I-90 from the Lake County line to SR 534 in Harpersfield & Saybrook Townships. Project also includes minor bridge repairs.  
**Estimated Begin:** April 2024  
**Estimated End:** September 2024  
**Project Cost:** \$5 million  
**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on I-90 during non-peak travel times. Val Pelt Rd. and LaFevre Rd. will each be closed for seven days. All detours will be posted.

PID 115509  
**State Route 7 concrete pavement replacement**  
Replacement of concrete pavement on SR 7 from U.S. 20 to just north of the Norfolk Southern railroad bridge in the City of Conneaut. Includes replacement of traffic signals at the SR 7 & U.S. 20 intersection and SR 7 & Jackson St. intersection, and new ADA curb ramps.  
**Estimated Begin:** November 2024  
**Estimated End:** December 2025  
**Project Cost:** \$2.7 million  
**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on SR 7.

PID 84625  
**State Route 11 resurfacing**  
Resurfacing of SR 11 between SR 46 and SR 531 in Ashtabula & Plymouth Township and

the City of Ashtabula. The project includes minor bridge repairs and repairs to the SR 531 lift bridge.  
**Estimated Begin:** April 2024  
**Estimated End:** November 2024  
**Project Cost:** \$13.1 million  
**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on SR 11. Various nightly ramp closures. All detours will be posted.

PID 94136  
**State Route 45 microsurfacing**  
Microsurfacing of SR 45 from the Ashtabula County line to the southern Orwell Corporation limit in Orwell Village and Orwell Township. Project includes microsurfacing of various routes in Stark, Summit & Trumbull Counties.  
**Estimated Begin:** April 2024  
**Estimated End:** September 2024  
**Project Cost:** \$5 million  
**Traffic Impacts:** A minimum of one lane of traffic will be maintained by flaggers on SR 45.

PID 113041  
**State Route 84 & 531 resurfacing**  
Resurfacing of SR 84 from the western Ashtabula Corporation limit to 48<sup>th</sup> St. and on SR 531 from Westshore Dr. to the eastern Ashtabula Corporation limit. All work performed within the City of Ashtabula.  
**Estimated Begin:** May 2024  
**Estimated End:** September 2024  
**Project Cost:** \$2 million

**Traffic Impacts:** Traffic will be maintained on SR 84 & SR 531 during construction.

PID 111133  
**State Route 307 & State Route 534 roundabout**  
Construction of a roundabout at the intersection of SR 307 and SR 534 in Harpersfield Township. Project also includes resurfacing SR 307 east of the roundabout and waterline relocation work.  
**Estimated Begin:** September 2023  
**Estimated End:** December 2024  
**Project Cost:** \$2.6 million  
**Traffic Impacts:** The intersection of SR 307 and SR 534 will be closed for 60 days between April and July. A detour will be posted. At all other times a minimum of one lane of traffic will be maintained by a flagger on SR 307 and SR 534.

PID 118813  
**State Route 531 erosion control**  
Erosion repairs performed on SR 531 near Whitman's Creek and Monday Dr., in North Kingsville.  
**Estimated Begin:** July 2023  
**Estimated End:** June 2024  
**Project Cost:** \$5.3 million  
**Traffic Impacts:** SR 531 will be closed throughout the project. A detour will be posted.

## ASHTABULA COUNTY

PID 119471

**Old Main St. bridge replacement**

Replacement of the Old Main St. bridge over the Conneaut Creek, just east of Liberty St., in the City of Conneaut.

**Estimated Begin:** September 2024

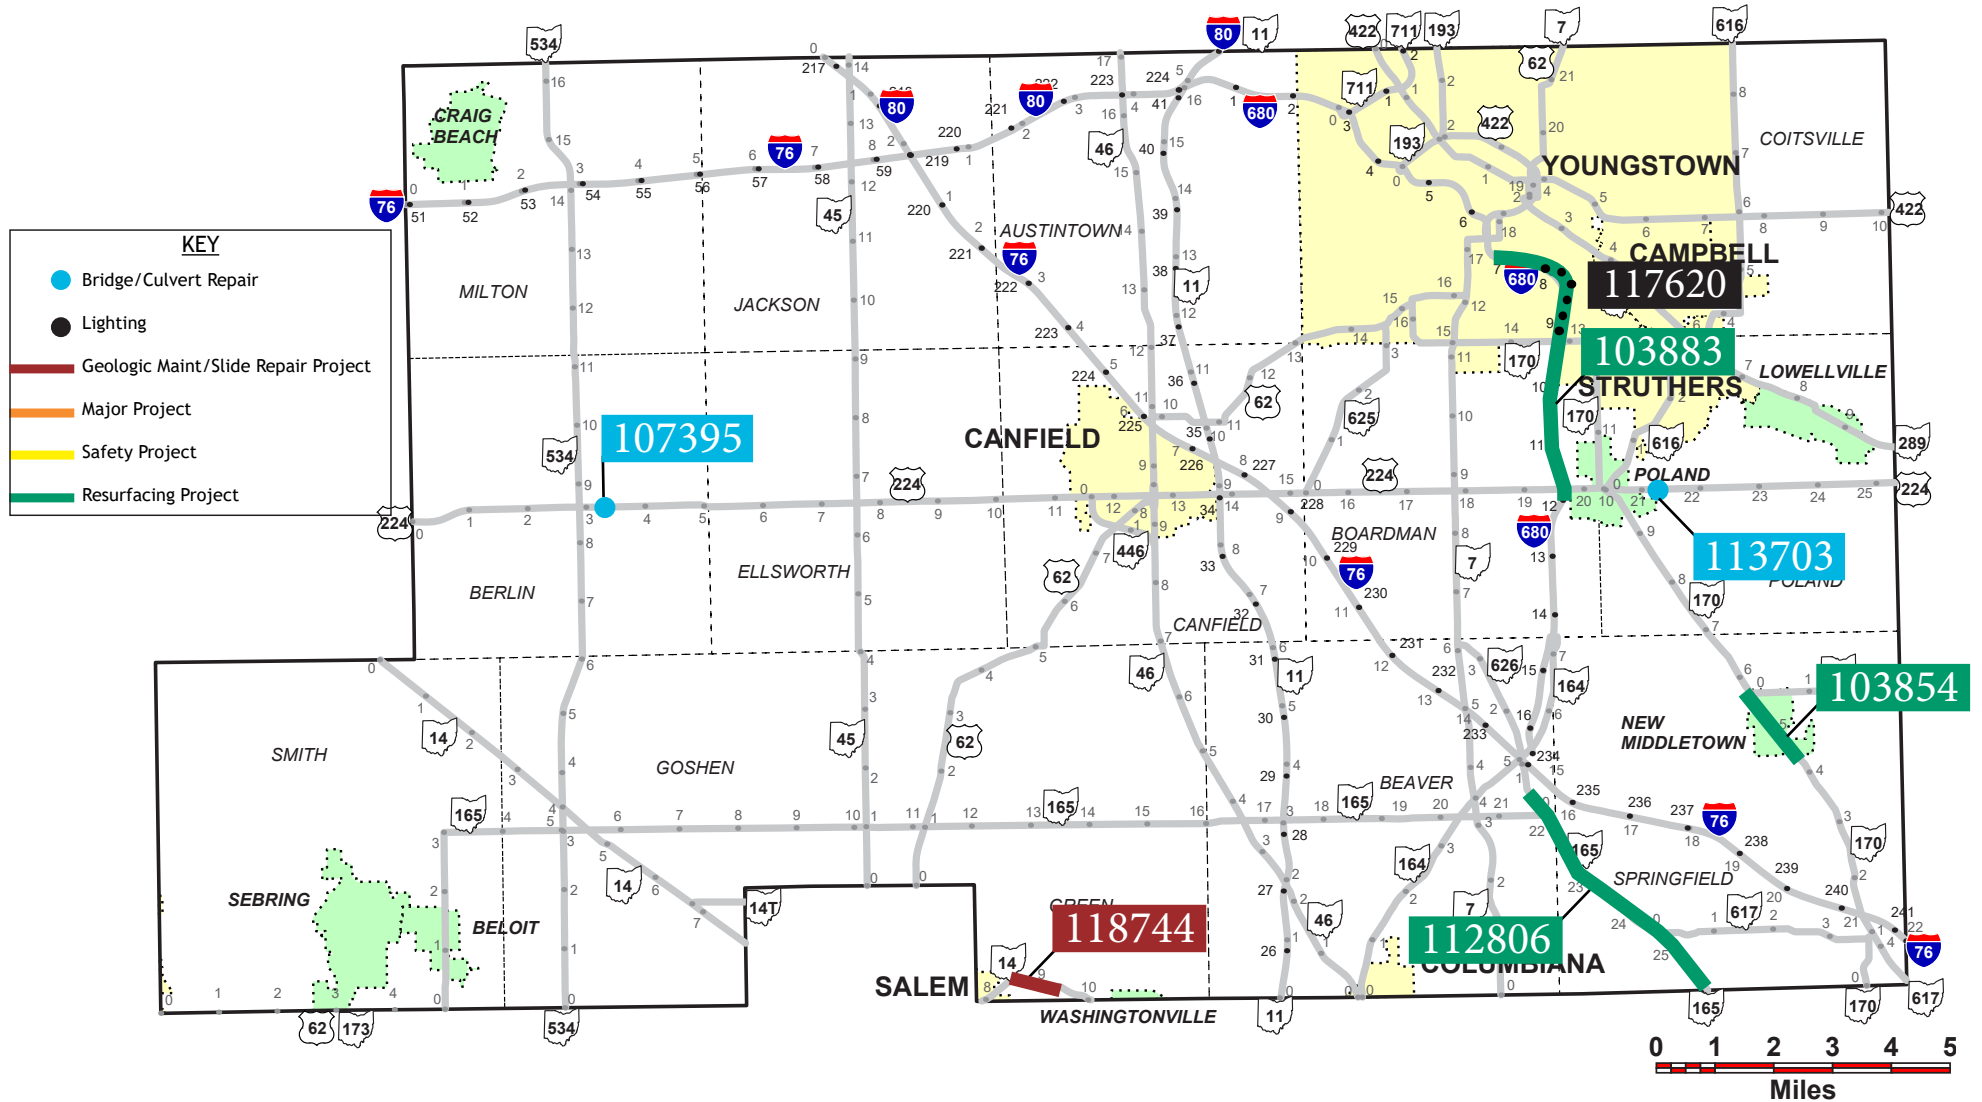

**Estimated End:** December 2025

**Project Cost:** \$2 million

**Traffic Impacts:** Old Main St. will be closed during the project. A detour will be posted.

# Mahoning County

**MAHONING COUNTY**

PID 106849

**Interstate 76 noise walls**

*Construction of a noise wall along the north side I-76 just east of SR 534 in Milton Township.*

**Estimated Begin:** April 2024

**Estimated End:** September 2024

**Project Cost:** \$1.1 million

**Traffic Impacts:** Traffic will be maintained on I-76. I-76 westbound ramp to SR 534 will have various closures. A detour will be posted.

PID 103883

**Interstate 680 resurfacing**

*Resurfacing of I-680 from Gibson St. to just south of U.S. 224 in the City of Youngstown and Boardman Township. Project also includes repairs to nine bridges.*

**Estimated Begin:** November 2023

**Estimated End:** December 2024

**Project Cost:** \$13.5 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained on I-680 during non-peak travel times. Various weekend and nightly ramp closures. All detours will be posted.

PID 110931

**Interstate 680 noise walls**

*Construction of noise walls along the east side of I-680 between Midlothian Blvd. to south of Matthews Rd. in the City of Youngstown and Boardman Township.*

**Estimated Begin:** November 2024

**Estimated End:** November 2025

**Project Cost:** \$8 million

**Traffic Impacts:** Traffic will be maintained on

I-680.

PID 117620

**Interstate 680 lighting improvements**

*Upgrading lighting at the I-680/Midlothian Blvd. interchange in the City of Youngstown & Boardman Township.*

**Estimated Begin:** April 2024

**Estimated End:** October 2024

**Project Cost:** \$1.4 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on I-680 during non-peak travel times.

PID 113703

**U.S. 224 culvert replacement**

*Replacement of a culvert on U.S. 224 just west of Poland Way in Poland Township.*

**Estimated Begin:** August 2023

**Estimated End:** June 2024

**Project Cost:** \$800,000

**Traffic Impacts:** U.S. 224 will be closed for 14 days. A detour will be posted.

PID 107395

**U.S. 224 culvert replacements**

*Replacement of two culverts on U.S. 224 just east of SR 534 in Berlin Township*

**Estimated Begin:** May 2024

**Estimated End:** August 2024

**Project Cost:** \$900,000

**Traffic Impacts:** U.S. 224 will be closed for 15 days. A detour will be posted.

PID 106325

**State Route 11 noise walls**

*Construction of noise walls along SR 11*

*between Mahoning Ave. to just north of New Rd. in Austintown Township.*

**Estimated Begin:** March 2024

**Estimated End:** October 2024

**Project Cost:** \$2.7 million

**Traffic Impacts:** Traffic will be maintained on SR 11.

PID 118744

**State Route 14 slope repairs**

*Slope repairs on SR 14 just west of Lisbon Rd. in Green Township*

**Estimated Begin:** June 2024

**Estimated End:** September 2024

**Project Cost:** \$700,000

**Traffic Impacts:** SR 14 will be closed for 28 days. A detour will be posted.

PID 112806

**State Route 165 resurfacing**

*Resurfacing of SR 165 from S. Range Rd. to the Columbiana County line in Beaver and Springfield Townships. Project also includes intersection improvements at SR 165 and SR 617.*

**Estimated Begin:** April 2024

**Estimated End:** July 2024

**Project Cost:** \$1.3 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained by flaggers on SR 165.

PID 103854

**State Route 170 pavement replacement**

*Pavement and curb replacement on SR 170 between SR 630 to just south of E. Middletown Rd. in the Village of New*

## MAHONING COUNTY

*Middletown & Springfield Township. Project includes upgrading drainage system and implementing access management.*

**Estimated Begin:** April 2024

**Estimated End:** October 2025

**Project Cost:** \$8 million

**Traffic Impacts:** Southbound traffic on SR 170 will be closed during the 2024 and 2025 construction season. Various intersections will be closed for 30-60 days. All detours will be posted.

## PORTAGE COUNTY

PID 106416

**State Route 43 widening**

*Widening of SR 43 to create a center two-way left turn lane between I-80 and Frost Road in the City of Streetsboro. Project also includes adding a second southbound lane between Evergreen Dr. and I-80 and converting the outside northbound thru lane to a right turn lane at the SR 43/Evergreen Dr. intersection. SR 43 resurfacing limits will begin at Market Square Drive and continue to the Frost Road intersection. Utility relocation and watermain improvements are included with this project.*

**Estimated Begin:** November 2023

**Estimated End:** June 2025

**Project Cost:** \$5.9 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on SR 43 except for three separate weekend closures. Various residential side streets will be closed ranging from seven to 30 days. All detours will be posted.

PID 111184

**State Routes 44 & 305 bridge replacement/repairs**

*Repairs to the bridge on SR 44 between Orchard St. and Canada Rd. in the village of Mantua and replacement of the SR 305 bridge just east of SR 700 in Hiram Township. Project also includes bridge repairs in Trumbull County.*

**Estimated Begin:** April 2024

**Estimated End:** October 2024

**Project Cost:** \$1.6 million

**Traffic Impacts:** SR 44 will be closed for three weekends. SR 305 will be closed for 30 days. All detours will be posted.

PID 107395

**State Route 44 & 303 culvert replacements**  
*Replacement of culverts on SR 44 just south of SR 303 and on SR 303 just east of SR 44 in Shalersville Township.*

**Estimated Begin:** May 2024

**Estimated End:** August 2024

**Project Cost:** \$900,000

**Traffic Impacts:** SR 44 will be closed for seven days. SR 303 will be closed for 14 days. All detours will be posted.

PID 102732

**State Route 59 resurfacing**

*Resurfacing of SR 59 from the western Ravenna Corporation limit to the eastern Ravenna Corporation limit. Project includes minor bridge repairs.*

**Estimated Begin:** April 2024

**Estimated End:** August 2024

**Project Cost:** \$2.7 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained by flaggers on SR 59.

PID 116749

**State Route 225 resurfacing**

*Resurfacing of SR 225 between I-76 and SR 5 in Palmyra and Paris Townships. Project*

*includes minor bridge repairs.*

**Estimated Begin:** September 2024

**Estimated End:** July 2025

**Project Cost:** \$1.8 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained by flaggers on SR 225.

PID 116470

**Frost Rd. resurfacing**

*Resurfacing of Frost Rd. from just east of SR 43 to Page Rd. in the City of Streetsboro.*

**Estimated Begin:** May 2024

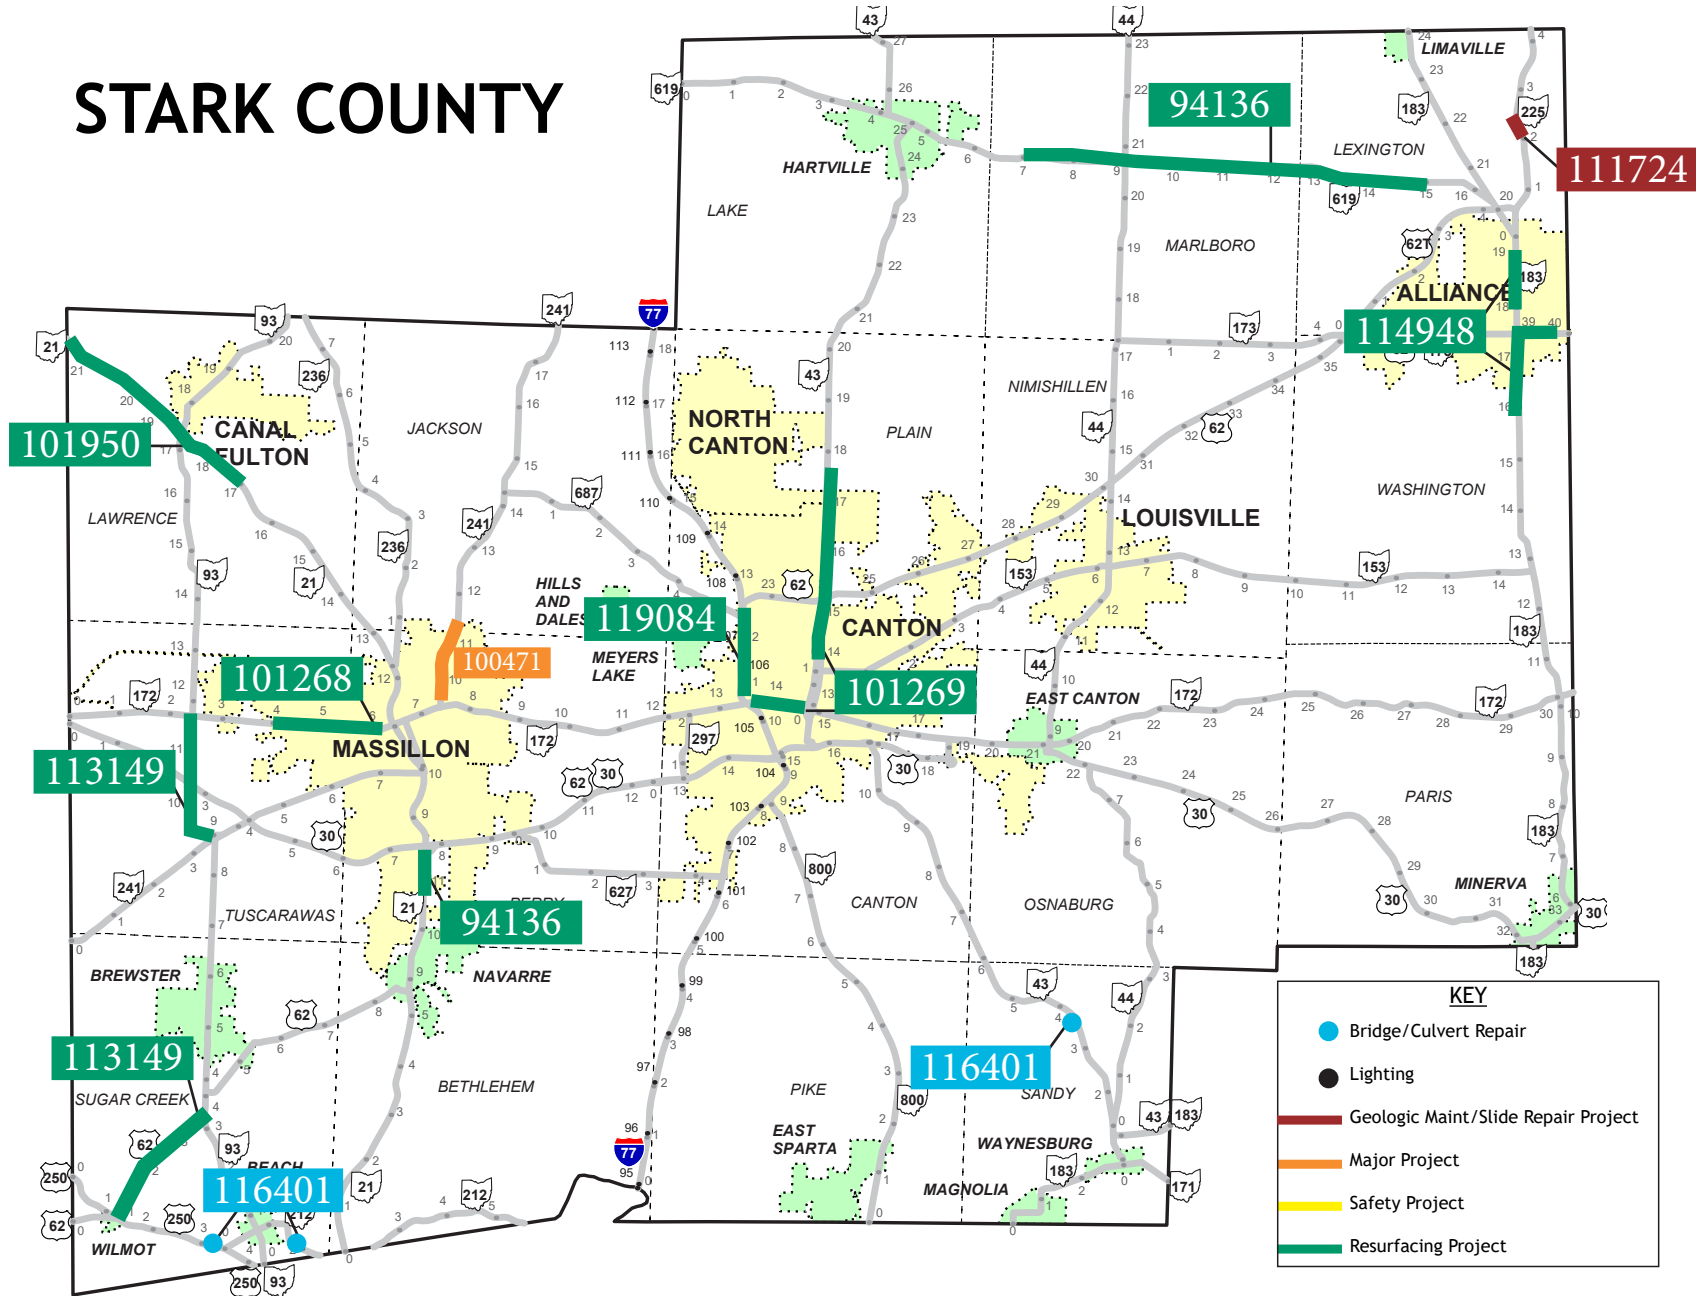

**Estimated End:** August 2024

**Project Cost:** \$600,000

**Traffic Impacts:** A minimum of one lane of traffic will be maintained by flaggers on Frost Rd.

# STARK COUNTY

## STARK COUNTY

PID 116128

**Interstate 77 retaining wall**

*Restore retaining wall on I-77 just north of Haut St. in Pike Township.*

**Estimated Begin:** March 2024

**Estimated End:** August 2024

**Project Cost:** \$900,000

**Traffic Impacts:** A minimum of two lanes of traffic will be maintained in each direction on I-77.

PID 119084

**Interstate 77 resurfacing**

*Resurfacing of I-77 from just south of U.S. 62 to U.S. 30 in the City of Canton. Project also includes minor bridge repairs and bridge cleaning.*

**Estimated Begin:** September 2024

**Estimated End:** August 2025

**Project Cost:** \$1.3 million

**Traffic Impacts:** A minimum of two lanes of traffic will be maintained in each direction on I-77. No lane closures during peak travel times.

PID 113149

**U.S. 62 & State Route 93 resurfacing**

*Resurfacing of U.S. 62 from U.S. 250 to SR 93 and on SR 93 between SR 241 and SR 172 in the Village of Wilmot; Sugar Creek & Tuscarawas Townships.*

**Estimated Begin:** April 2024

**Estimated End:** August 2024

**Project Cost:** \$1.5 million

**Traffic Impacts:** Traffic will be maintained by flaggers on U.S. 62 and SR 93.

PID 114948

**U.S. 62 and State Route 183 resurfacing**

*Resurfacing of U.S. 62 between SR 183 and the Columbiana County line and on SR 183 from Beech St. to just north of U.S. 62 and from Main St. to north of Vine St. in the City of Alliance.*

**Estimated Begin:** May 2024

**Estimated End:** August 2024

**Project Cost:** \$2.1 million

**Traffic Impacts:** Traffic will be maintained on U.S. 62 and SR 183.

PID 116401

**U.S. 250, State Route 43 & 212 culvert replacements**

*Replacement of five culverts in Stark County, one on U.S. 250 east of U.S. 62, one on SR 212 south of Amway St., one on SR 43 just north of Chapel St. and one two on I-77 just south of Fulton Dr. All work will occur in the City of Canton and Sugar Creek & Sandy Townships.*

**Estimated Begin:** June 2024

**Estimated End:** November 2024

**Project Cost:** \$1 million

**Traffic Impacts:** U.S. 250, SR 43 & SR 212 will each be closed for 14 days. All detours will be posted.

PID 101950

**State Route 21 resurfacing**

*Resurfacing of SR 21 from the Wayne County line to River Rd. in Lawrence Township.*

**Estimated Begin:** September 2024

**Estimated End:** November 2025

**Project Cost:** \$4.4 million

**Traffic Impacts:** Traffic will be maintained on SR 21 throughout construction.

PID 94136

**U.S. Route 62/State Route 21 & 619 microsurfacing**

*Microsurfacing of U.S. 62/SR 21 from the northern Navarre Corporation limit to just south of U.S. 30 in the Village of Navarre, Perry Township and the City of Massillon and on SR 619 between Etter Rd. and Atwater Ave. in Lexington & Marlboro Townships.*

**Estimated Begin:** April 2024

**Estimated End:** September 2024

**Project Cost:** \$5 million

**Traffic Impacts:** Traffic will be maintained on SR 21 and SR 619.

PID 101269

**State Route 43 resurfacing**

*Resurfacing of SR 43 from 12th St. to 55th St. and SR 172 from Whipple Ave. to I-77 in the City of Canton.*

**Estimated Begin:** August 2024

**Estimated End:** August 2025

**Project Cost:** \$3.6 million

**Traffic Impacts:** Traffic will be maintained on SR 43 & SR 172 throughout construction.

PID 101268

**State Route 172 resurfacing**

*Resurfacing of SR 172 from 32nd St. to just west of SR 21 in the City of Massillon. Project also includes minor bridge repairs.*

**Estimated Begin:** September 2024

**Estimated End:** August 2025

## STARK COUNTY

**Project Cost:** \$1.6 million  
**Traffic Impacts:** Traffic will be maintained on SR 172 throughout construction.

PID 111724

**State Route 225 slope repairs**  
*Slope repairs on SR 225 just north of Greenbower St. in Lexington Township.*

**Estimated Begin:** April 2024

**Estimated End:** July 2024

**Project Cost:** \$700,000

**Traffic Impacts:** SR 225 will be closed for 21 days. A detour will be posted.

PID 100471

**State Route 241 widening**  
*Widening and resurfacing of SR 241 between Lincoln Way and Taggart St. in the City of Massillon. Project also includes drainage improvements, the addition of sidewalks and signal upgrades. Work completed in 2023 included the completion of all drainage and waterline work, roadway widening on SR 241 between SR 172 and Rotch Ave. and on SR 241 southbound between Rotch Ave. and Hills and Dales Rd. Work to be completed in 2024 includes roadway widening on SR 241 northbound between Rotch Ave. and Hills and Dales Rd. and final pavement placement between Rotch Ave. and Hills and Dales Rd.*

**Estimated Begin:** August 2022

**Estimated End:** July 2024

**Project Cost:** \$7.2 million

**Traffic Impacts:** A minimum of two-way/one-lane traffic under flagger control daily during work hours will be maintained on SR 241. SR 172 westbound will have occasional lane

restrictions. Short term side street closures will occur. All detours will be posted.

## SUMMIT COUNTY

PID 102329

### **Interstate 76/77/State Route 8 Akron Beltway Reconstruction**

*Pavement replacement and addition of lanes on I-77 from just north of I-277/U.S. 224. and Lovers Lane, pavement replacement on I-76/I-77 from Princeton Ave. to the I-77/SR 261 interchange and pavement replacement on the I-76/I-77 and SR 8 at the Central Interchange. Project also includes resurfacing of SR 8 and the addition of a southbound lane on SR 8 between Carroll St. and Beacon St. Project also includes the re-alignment of left turn ramps (I-76 westbound to I-77 southbound and I-76 eastbound to SR 8 northbound) to improve turn radius. Work completed in 2023 included constructing the bridge decks on the new flyover ramps at the central interchange and reconstructing the median lanes on I-76 between Princeton Ave. and East Ave. Work to be completed in 2024 includes the pavement reconstruction of I-76 eastbound between East Ave. and Princeton Ave. and on I-77 southbound between the Central Interchange and U.S. 224. Also completion of the new I-76 westbound flyover bridge to I-77 southbound.*

**Estimated Begin:** June 2021

**Estimated End:** July 2025

**Project Cost:** \$161 million

**Traffic Impacts:** A minimum of two lanes of traffic will be maintained in each direction on I-76/I-77 and SR 8. Various ramp closures

along I-76 and I-77 southbound and other portions of the Akron Beltway spanning from 30 days to two years will occur. All detours will be posted.

PID 113086

### **Interstate 76 & 277 resurfacing and bridge repairs**

*Resurfacing of I-76/Kenmore Leg from I-277 to I-77 and on I-277 from East Ave. to I-77 in the City of Akron. Project includes miscellaneous bridge repairs.*

**Estimated Begin:** August 2024

**Estimated End:** June 2025

**Project Cost:** \$8.2 million

**Traffic Impacts:** Minimum of one lane of traffic in each direction at all times during non-peak travel times. Various ramp closures. All detours will be posted.

PID 106002

### **Interstate 77 & 277; U.S. 224 pavement replacement**

*Pavement replacement and widening of I-77 between Arlington Rd. and the I-77/I-277/U.S. 224 interchange. Project also includes the addition of two-lane ramps at I-77/I-277/U.S. 224 interchange. Work completed in 2023 included reconstructing I-77 northbound. Work to be completed in 2024 includes final resurfacing on I-77 southbound.*

**Estimated Begin:** July 2021

**Estimated End:** July 2024

**Project Cost:** \$49.7 million

**Traffic Impacts:** A minimum of three lanes of traffic maintained in each direction on I-77 throughout construction.

PID 105861

### **Interstate 77 bridge replacements**

*Replace both bridges on I-77 over State Route 21 in Copley Township. Project also includes drainage improvements. Work completed in 2023 included the replacement of the I-77 southbound bridge and all drainage work on SR 21. Work to be completed in 2024 includes replacement of the I-77 northbound bridge and resurfacing of I-77 northbound and southbound near the bridge.*

**Estimated Begin:** April 2023

**Estimated End:** August 2024

**Project Cost:** \$13.4 million

**Traffic Impacts:** A minimum of two lanes of traffic will be maintained in each direction on I-77. A minimum of one lane of traffic will be maintained in each direction on SR 21. The ramp from SR 18 eastbound to I-77 southbound will be closed through June 2024. A detour will be posted.

PID 111405

### **Interstate 77 widening**

*Widening of I-77 from four to six lanes between Everett Rd. and SR 21 in Bath and Richfield Townships.*

**Estimated Begin:** February 2024

## SUMMIT COUNTY

**Estimated Completion:** August 2026

**Project cost:** \$54.6 million

**Traffic Impacts:** Two lanes of traffic will be maintained in each direction on I-77. Various ramp closures ranging from 30 days to 90 days in length. All detours will be posted.

PID 113208

**Interstate 77 noise wall construction**

*Construction of new noise walls along I-77 between Waterloo Rd. and Lovers Lane in the City of Akron.*

**Estimated Begin:** November 2024

**Estimated End:** September 2025

**Project Cost:** \$11.9 million

**Traffic Impacts:** Traffic will be maintained on I-77 throughout construction.

PID 94136

**Interstate 77 & State Route 93 microsurfacing**

*Microsurfacing of I-77 from just south of Ridgewood Rd. to just south of SR 18 in the City of Fairlawn and on SR 93 from just north of SR 619 to south of I-277 in Coventry Township.*

**Estimated Begin:** April 2024

**Estimated End:** September 2024

**Project Cost:** \$5 million

**Traffic Impacts:** Traffic will be maintained on I-77 and SR 93 throughout construction.

PID 93101

**Interstate 271 resurfacing**

*Resurfacing of I-271 from Boston Mills Rd. to SR 82 in the City of Macedonia, Boston Township, and Northfield Center Township. Project also includes miscellaneous bridge and culvert repairs.*

**Estimated Begin:** August 2023

**Estimated End:** June 2024

**Project Cost:** \$9.8 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on I-271. Boston Mills Rd. will be closed for 30 days. Brandywine Rd. & Hines Hills Rd. will be closed for 5 days. Various nightly ramp closures will occur. All detours will be posted.

PID 91710

**State Route 8 bridge replacement**

*Replacement of the SR 8 hi-level bridge over the Cuyahoga River Valley in Akron with two new structures. Project also includes minor re-alignment of SR 8 and the addition of a new auxiliary lane in each direction of SR 8 between Glenwood Ave. and Perkins Ave.*

**Estimated Begin:** August 2023

**Estimated End:** June 2028

**Project Cost:** \$158 million

**Traffic Impacts:** Three lanes of traffic will be maintained in each direction on SR 8 throughout construction. Various ramp closures at Glenwood Ave. and Perkins St. ranging from 14 days to two years. All detours will be posted.

PID 110644

**State Route 18 resurfacing**

*Resurfacing of SR 18 from Hametown Rd.*

*to Cleveland Massillon Rd. in Bath & Copley Townships.*

**Estimated Begin:** June 2024

**Estimated End:** September 2024

**Project Cost:** \$1.7 million

**Traffic Impacts:** Traffic will be maintained on SR 18 throughout construction.

PID 110743

**State Route 59 resurfacing**

*Resurfacing of SR 59 between SR 8 and the Portage County line in the cities of Cuyahoga Falls, Stow and the Village of Silver Lake.*

**Estimated Begin:** April 2024

**Estimated End:** August 2024

**Project Cost:** \$3.5 million

**Traffic Impacts:** A minimum of one lane of traffic will be maintained in each direction on SR 59.

PID 107247

**State Route 82 bridge repairs**

*Minor bridge repairs to SR 82 over the Cuyahoga River at the Summit County & Cuyahoga County line in Sagamore Hills Township. Project includes concrete deck patching and expansion joint repairs.*

**Estimated Begin:** May 2024

**Estimated End:** November 2024

**Project Cost:** \$4.2 million

**Traffic Impacts:** Traffic will be maintained on SR 82. The Towpath Trails under SR 8 cannot be closed concurrently. All detours will be posted.

SUMMIT COUNTY

PID 110669

**State Route 82 resurfacing**

*Resurfacing of SR 82 from the Cuyahoga County line to SR 8 and from Cannon Rd. to the Portage County line. Project includes minor bridge repairs. All work will occur in the City of Twinsburg & Northfield Center, Sagamore & Twinsburg Townships.*

**Estimated Begin:** October 2024

**Department of  
Transportation**

## Our Mission

To provide a transportation system that is safe, accessible, well maintained, and positioned for the future.

## Our Vision

A world-class transportation system that improves the lives of all Ohioans.

## Our Guiding Principles

We put the safety of the public and our workforce first.

We value innovation, efficiency, and quality.

We invest public resources wisely and where it provides the greatest benefit.

We set the standard of excellence for maintaining our infrastructure.

We foster relationships based on trust and mutual respect.

We communicate simply and clearly with employees, partners, and communities.

We value the diversity and inclusion of our people and customers.

We work collaboratively with business partners and local agencies.

We work transparently and hold ourselves accountable to our partners and stakeholders.

To serve all Ohioans, we work together as one ODOT.
