Type of Crime: 2921.41 Theft in Office
 2913.02 Theft by Deception

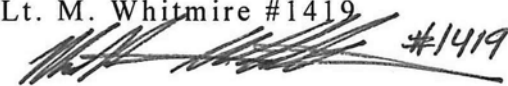

Date/Time of Crime: January 1, 2025 until Current

Place of Crime: City of Akron

- Victim(s):
1. City of Akron
217 S. High St.
(330) 375-2490
 2. Traffic Safety Solutions
1051 Kelly Av.
 3. Timbertop Apartments
1551 Treetop Trl.
 4. House 330 (LeBron James Family Foundation)
532 W. Market St.

Statement of Victim(s): 2. On November 24, 2025, I spoke with [redacted] of Traffic Safety Solutions (TSS) over the phone. Below is a synopsis of the recorded interview.

I contacted [redacted] from TSS to discuss Lt. Farrar's billing practices for scheduling extra duty police officers. I explained that I had been

reviewing multiple files related to this matter and wanted to clarify the charging structure he had been using with her company. [redacted] confirmed that Farrar had been charging approximately \$4.50 per officer per hour worked, and she indicated that all the documentation they had provided was on the flash drive they had previously given us. She mentioned that Farrar primarily worked with other personnel at her company, including another [redacted], [redacted] in the field, and later with Tammy when she became full-time.

I asked [redacted] whether Farrar had ever provided information about the proper contractual rate for scheduling jobs, and she confirmed he had not. She recalled that Farrar had called her about changing from a base rate to the \$4.50 hourly rate based on total hours worked, which she believed occurred over a year ago. [redacted] explained that at the time, this didn't seem unusual because it appeared comparable to what other police departments were charging, and it represented a reduction from what he had been charging previously.

I explained the nature of the violation, informing [redacted] that according to our contract, schedulers are only allowed to charge up to three hours per month at the base rate of approximately \$50 per hour, totaling about \$150 monthly. I disclosed that Farrar had previously been disciplined and suspended for this same type of overcharging about a year ago, and that he had apparently resumed the improper billing practice after returning from suspension. [redacted] was shocked by this information, stating that they had been paying him approximately \$70 per week minimum, which she had assumed was standard since other police officers charged similar rates.

I asked [redacted] whether her company would be interested in pursuing criminal charges against Farrar, and she indicated she would need to discuss this with her partner. We also discussed payment terms, and I clarified that there was nothing in our contract requiring weekly payments, contrary to what [redacted] had been told. I agreed to send her the department's procedure and updated rate information to her company email at contact@trafficsafetysol.com. I concluded the call by telling [redacted] I would crunch the numbers to determine the actual

financial loss and would follow up with her the following Monday to discuss whether they wanted to move forward with criminal charges once she had consulted with her partner.

On December 4, 2025, I spoke with [REDACTED] again and TSS declined prosecution.

3. On November 24, 2025, I spoke with [REDACTED] of Timbertop Apartments. Below is a synopsis of our recorded phone conversation.

I contacted [REDACTED] from Timbertop Apartments to inform her about our investigation into Lt. Farrar's billing practices. I explained to her that we had discovered Lt. Farrar was overlapping his extra jobs, specifically working for both Timbertop and Metro RTA simultaneously. I detailed how there was approximately an hour of overlap nearly every Wednesday where Timbertop was being billed for services while Lt. Farrar was physically at Metro RTA, making it impossible for him to be in both locations.

I asked her who would have final authority to decide whether they wanted to pursue criminal charges against Lt. Farrar for this billing fraud. I emphasized that the decision was completely up to them as the affected party.

[REDACTED] immediately stated that they did not want to file any charges. She seemed surprised by the situation and mentioned that they had since sold the property. When she asked if Lt. Farrar was still patrolling there, I informed her that he had recently retired.

Despite the circumstances, [REDACTED] praised Lt. Farrar's work, stating he was amazing for Timbertop and that crime levels went down during his patrols. She emphasized the importance of police presence at that location and expressed hope that patrol services would continue for the property. We concluded the conversation with [REDACTED] reaffirming that they would not be pursuing charges, and I thanked her for her time.

ARREST Mark D. Farrar, W/M/53		ARREST	

4. On November 24, 2025, I spoke with [redacted] of House 330. Below is a synopsis of our recorded phone conversation.

I informed [redacted] about an internal affairs investigation involving Lt. Farrar from our department. I explained that Lieutenant Farrar had been charging her company \$3.50 per hour for each officer's work, per hour, when our department procedure only allows charging for three hours per month at a rate of \$50 an hour. I made it clear that this overcharging was illegal and that her company had likely paid significantly more than they should have.

I asked [redacted] whether her company would want to pursue criminal charges against Lt. Farrar, as we were working with the prosecutor's office to contact all affected former employers. She indicated she would need to run this by her boss, though she assumed the answer would be no. I instructed her to contact Sergeant Orrand with her decision and provided her with the correct procedure and pay rates via email to prevent similar issues in the future.

[redacted] later e-mailed me confirming they did not want to pursue criminal charges.

Reporting Party: Lt. P. Neumann #1310

Statement of Reporting Party: On November 11, 2025, Lt. Neumann informed Lt. Wood (1254) and I that there was an ongoing internal investigation involving Lt. Farrar. Based on Lt. Neumann's investigation, along with consultation with PLA Craig Morgan, it was determined some of what was discovered would be investigated criminally.

Ultimately, Lt. Neumann's investigation found three criminal matters. One, Lt. Farrar was paid by two different entities simultaneously on multiple occasions (CIT Outreach/City of Akron, and Metro RTA/Timbertop Apartments). Two, the investigation showed that Lt. Farrar was collecting fees beyond the scope of our procedure for scheduling police officers to work with external

employers. Three, Lt. Farrar was using city owned vehicles without approval or reimbursement while working secondary employment.

Witness(es):
 [Redacted]
 150 Cross St.
 [Redacted]

Statement of Witness(es): Lt. Neumann and I spoke with [Redacted] at 150 Cross St., Community Support Services (CSS) on December 10, 2025. Below is a synopsis of her recorded statement (audio).

[Redacted] confirmed that she rode with Lieutenant Farrar every Monday for CIT Outreach, working 1500 to 1900 hours. She explained that this had been going on for over six years, and she would flex her time rather than work overtime. Farrar would typically pick her up between 1515 and 1530 hours, either at the office (150 Cross St.) or at her home in [Redacted] if the weather was bad and drop her off around 1845 hours. She noted that Farrar usually drove the Ford Fusion, though early on he had driven marked vehicles including what might have been an old Expedition that she had difficulty getting into.

Items Taken: City of Akron - \$12,421.31
 House 330 - \$12,987.67
 TSS - \$11,366.28
 Timbertop Apartments - \$2,340

Items Recovered/
 Location/Date: None.

MO: Suspect would collect payment from employers simultaneously while also using City owned vehicles without proper reimbursement. The suspect was also knowingly charging employers an excess of the monetary rate set by the CBA.

Suspect/Arrested: Mark D. Farrar

ARREST Mark D. Farrar, W/M/53		ARREST	

Statement of Suspect/Arrested: On December 16, 2025, I spoke with Lt. Farrar's attorney, Don Malarcik. Per Malarcik, Lt. Farrar would exercise his constitutional right not to make a statement.

Scene Searched/
 Processed: N/A

Evidence Collected/
 Location of Evidence: The below listed evidence is uploaded to Evidence.com:

- Recorded victim/witness statements.
- Surveillance footage of city owned vehicle.
- Flock images of city owned vehicle.
- Financial records from the following entities:
 - CIT Outreach
 - TSS
 - Timbertop Apartments
 - Metro RTA
- City of Akron Aladtec (Scheduling) data.
- Keycard access data.
- City of Akron MDT login data.
- Akron Police Department secondary employment vehicle use forms.
- Akron Police Department Secondary Employment procedure.
- Akron Police Department Chief's Order (setting extra-job rates).

Action Taken: On November 10, 2025, Lt. Neumann informed Lt. Wood and I of an internal investigation into possible criminal conduct by Lt. Farrar. Their preliminary investigation found that Lt. Farrar was getting paid by the City of Akron, while simultaneously being paid by CIT Outreach. Lt. Farrar was also simultaneously paid while working

ARREST Mark D. Farrar, W/M/53	ARREST
----------------------------------	--------

for Metro RTA and Timbertop apartments. The scheduling rates Lt. Farrar was charging were found to be a rate outside the scope of our Collective Bargaining Agreement (CBA) and procedure. Lastly, Lt. Farrar was found to be using City of Akron owned vehicles for secondary employers without the City of Akron being reimbursed. Per Chief Harding, Lt. Wood and I were assigned to investigate the criminal aspect of the investigation.

Preliminary findings showed that most Mondays, Lt. Farrar was simultaneously paid for work by both the City of Akron and CIT Outreach. This involved reviewing surveillance footage, Flock data, key-card access, SCAD records, and Aladtec scheduling.

Findings by Date:

November 3, 2025:

- Scheduled: City of Akron — 0800–1600 hours (Aladtec)
- Arrived at station at 0758 hours in his personal vehicle (surveillance footage).
- At 1032 hours, retrieved city-owned 2010 Ford Fusion (EXU3894) retrieved from Morley Deck (surveillance footage).
- Vehicle recorded multiple Flock hits across Akron through 1835 hours.
- First CIT Outreach call logged at 1552 hours (25-131178).
- Left the station in the city vehicle at 1507 hours, before his scheduled shift ended (surveillance).
- Key-card activity matched vehicle movement times.
- Extra job portal showed no cruiser was authorized for this assignment.

Summary: Evidence shows Lt. Farrar began working CIT Outreach before the end of his City shift.

October 27, 2025:

- Scheduled: City of Akron — 0800–1600 hours (Aladtec).

OFFENSE 2921.41 Theft in Office Et. Al.		DATE 11/10/25	PAGE 8

ARREST Mark D. Farrar, W/M/53	ARREST
----------------------------------	--------

- Arrived at 0756 hours (surveillance footage/keycard data).
- Retrieved city-owned Fusion at 1401 hours (surveillance footage/keycard data).
- Left in city vehicle at 1507 hours (surveillance footage/keycard data).
- First CIT Outreach call at 1532 hours, then multiple additional calls.
- Flock data confirmed the vehicle was in areas matching CIT calls.

Summary: Worked CIT Outreach while still on duty with the city.

October 20, 2025:

- Scheduled: City of Akron — 0800–1600 hours (Aladtec).
- Arrived at 0801 hours (surveillance footage).
- Retrieved city-owned Fusion at 1013 hours (surveillance footage/key card data).
- Returned to station at 1048 hours (surveillance footage/keycard data).
- Left in city vehicle at 1513 hours (surveillance footage/keycard data).
- First CIT Outreach call at 1543 hours, with 10 total calls.
- Vehicle Flock hits correlated with CIT call locations.
- Some surveillance from Morley Deck and Ocasek building was no longer available due to data retention limits.

Summary: Again, appeared to work both jobs at the same time.

Historical Pattern Review (January-September 2025):

Because older surveillance and Flock data were unavailable, records were compared from:

- CIT Outreach schedule
- SCAD call logs
- Aladtec City work schedule

- Keycard access

Across 39 Mondays, the same pattern appeared:

- City shifts were always 0800–1600 hours.
- CIT Outreach shifts were always 1500–1900 hours.
- CIT calls were consistently initiated between 1516–1530 hours, while Farrar was still scheduled (and being paid) by the city.
- In many cases, key-card logs show him exiting the station around 1508–1515 hours, before calling out working CIT.

Examples of behavior patterns are seen below:

Overall Summary and Impact:

Across 39 documented Monday shifts in 2025:

- Lt. Farrar worked at CIT Outreach approximately one hour early each day, before his city shift ended.
- He earned:
 - **\$1,950 from CIT Outreach**
 - **\$1,990.56 from City of Akron** for the same overlapping hours.
- Based on call times and departure times, he averaged leaving his city shift 37 minutes early.
- Flock hits, surveillance, key-card data, SCAD entries, schedules, and witness statements all corroborate that he was simultaneously working and being paid by both employers.
- Lt. Farrar used a city owned vehicle while working CIT outreach. Per procedure, to use a city owned vehicle, the secondary employer (CSS) would be charged \$15 an hour. Per records, use of a city owned vehicle was not approved for this job. This put the city at a loss of approximately **\$2,340**.

On November 14, 2025, Lt. Farrar retired from the Akron Police Department.

 REPORT OF INVESTIGATION

VICTIM City of Akron		RPT 25-133954	
OFFENSE 2921.41 Theft in Office Et. Al.		DATE 11/10/25	PAGE 15
ARREST Mark D. Farrar, W/M/53		ARREST	

On November 18, 2025, I analyzed payroll records from Metro RTA and Timbertop Apartments. I compared every Timbertop shift against the Metro RTA time punches. Lt. Farrar's RTA entries are consistently on Mondays and Wednesdays from 1830-1930 hours to 0000 hours (and sometimes later).

Many of Lt. Farrar's Timbertop shifts began at 2300 hours and ran until 0300 hours. Allowing for at least one overlapped hour where Lt. Farrar was being paid by both employers. It's important to note that Metro RTA has a punch in/out method so based on that, Timbertop Apartments would be the victim.

ARREST Mark D. Farrar, W/M/53		ARREST	

RTA: 09/15/25 1849-0000 (09/16/25)
 Timbertop: 09/15/25 2300-0300
 Overlap: 2300-0000

Overall Summary and Impact:

From January 1, 2025, until September 15, 2025, Lt. Farrar billed Timbertop Apartments for roughly 43 hours during which he was working for Metro RTA. At the then job rate of \$50 an hour, Timbertop Apartments paid him **\$2,150** dollars for work he did not perform.

Further, Lt. Farrar was not authorized to use a City of Akron cruiser during the time he was scheduled to work at Timbertop Apartments but did anyways. From January 1, 2025, until October 21, 2025, Lt. Farrar was scheduled to work 176 shifts at Timbertop Apartments. Nearly every shift was scheduled in four-hour increments totaling 679.25 hours scheduled. If you account for those hours at \$15 an hour for cruiser usage, it would have cost **\$10,188.75**. However, when you compare Lt. Farrar's Timbertop Apartments schedule with MDT sign-Ons, it appeared that there were times when he was scheduled to work that he did not. If you compare logins on an MDT and correlated it with the schedule, this amounts to **\$8,090.75** of unpaid cruiser fees.

On November 20, 2025, Lt. Wood and I consulted with PLA Morgan and PLA Saad.

On November 24, 2025, I spoke with representatives of Traffic Safety Solutions, House 330, and Timbertop Apartments. See victim statements.

House 330 had been overcharged for scheduling fees. From January 13, 2025 until November 3, 2025, Lt. Farrar charged House 330 \$3.50 for every hour every officer had been scheduled to work. This is outside the confines of our Secondary Employment Procedure and CBA. This amount totaled **\$12,987.67**.

OFFENSE 2921.41 Theft in Office Et. Al.		DATE 11/10/25	PAGE 22
ARREST Mark D. Farrar, W/M/53		ARREST	

House 330 and Timbertop Apartments declined prosecution.

On December 2, 2025, Lt. Wood requested data from OHLEG to cross reference individuals ran by Lt. Farrar. Lt. Wood found no evidence of criminal activity via Lt. Farrar's OHLEG account.

On December 4, 2025, I again spoke with representatives from Traffic Safety Solutions reference Lt. Farrar overcharging them for scheduling fees at a rate of \$4.50 per hour per officer scheduled. The approximate total amount Lt. Farrar made from TSS was **\$11,366.28**.

TSS declined prosecution.

On December 10, 2025, Lt. Neumann and I spoke with [REDACTED] at CSS, 150 Cross St. Barnhart is a CSS employee that frequently worked with Lt. Farrar as he worked CIT Outreach. See witness statement.

On December 16, 2025, I spoke with Attorney Don Malarcik who was representing Lt. Farrar. Per Malarcik, Lt. Farrar would be exercising his constitutional right to not make a statement.

I spoke with PLA Morgan and agreed to send him over this report for review.

Conclusion:

Based on the investigation, Lt. Farrar charged scheduling fees outside the realm of our CBA and procedure for both House 330 and TSS. Neither victim wished to pursue charges.

Lt. Farrar also overlapped hours with Metro RTA and Timbertop Apartments. Timbertop Apartments also declined pursuing criminal charges.
